SUMMARY

I'm a UI/UX Designer based in Kerala with 5 years of industry experience, creating intuitive and engaging digital experiences across a range of industries. I've had the opportunity to work with clients from diverse sectors, translating their business needs into thoughtful design solutions. I'm proficient in UI/UX design for websites, mobile applications, and desktop applications, with a strong focus on usability, visual clarity, and user-centered design. I enjoy solving complex problems through simple, purposeful, and visually compelling design.
